Greetings, Golfers!

Thank you for joining us for our 5th Annual Touching Lives Golf Tournament! I know you'll enjoy a magnificent and challenging 18 holes of golf at the newest addition to the nation's elite and desirable golf courses, Legacy on Lanier, and, more importantly, you'll benefit the ministry of Touching Lives, as we faithfully share the hope and encouragement of Jesus Christ around the world each week!

Touching Lives is an international media ministry based here in Atlanta, Georgia. Our broadcast is aired in all fifty states, where over 90% of the country can hear God's message of hope, and the need for salvation each week. We are also seen in 122 countries, on virtually every continent, and our messages and life-changing spiritual materials are also shared around the globe via the world-wide web on our recently updated website, www.touchinglives.org. We've just added conferences for both men and pastors to help round out our sphere of influence and impact, assuring the Gospel is being preached well into the 21st Century.

This year's proceeds will be used to help us expand our reach even further than we currently do. With an estimated viewing audience of over a half-million each week, our ministry has just begun to scratch the surface on what we can accomplish for the Kingdom of God with additional revenue generated by this tournament. Your participation in this event will help shore up our financial base to allow us to expand as God leads. Simply put, we cannot do it without you!

On behalf of all of those who rely on our program each week to hear the truth of the Word of God, thank you for joining us today. Enjoy your round of golf!
