HOW TO GIVE THROUGH YOUR DONOR-ADVISED FUND

A Donor-Advised Fund (DAF) is a charitable giving account that allows you to recommend grants to qualified nonprofit organizations you care about.

If you have a DAF, recommending a grant to Touching Lives is an easy way to put your charitable funds to work sharing the Gospel and reaching people around the world.

Giving Through Your DAF Is Simple

1. Log in to your DAF account

Visit your Donor-Advised Fund provider's website and log in to your account.

2. Search for Touching Lives

When asked to select the charitable organization you would like to support, search for:

Organization legal name: Touching Lives, Inc.

EIN number: 58-2181292

Mailing address: PO Box 101 Sterling, KS 67579-0101

3. Choose your grant amount

Select the amount you would like to recommend as a grant to Touching Lives.

You may also have the option to recommend recurring grants, allowing your DAF to provide ongoing support for the ministry.

4. Submit your grant recommendation

Follow your DAF provider's instructions to complete your recommendation.

Your provider will then process the grant and send the funds to Touching Lives.

5. Let us know about your gift

DAF grants sometimes arrive without the donor's full contact information.

If you would like us to know that you recommended the grant, please contact us at: info@touchinglives.org or 1-800-413-1131.

Donor-Advised Fund grants are subject to the policies and requirements of your DAF-sponsoring organization. Please consult your DAF provider, tax advisor, or financial advisor with questions about your individual circumstances.
